### RECORDS OF COUNTY DELEGATION

Laconia, N. H., February 12, 1946

The Belknap County Delegation met at the County Home for the annual meeting at 11 a. m. At this time consideration of the budget for 1946 was considered by the Budget Committee. Members of this committee present were Mr. Rogers and Mr. Cotton, with Chairman Hopkins and Clerk Atwood of the Delegation. At 12:30 a fine dinner was served by Supt. and Mrs. Flanders. The County Commissioners were present and guests included: County Solicitor Johnson, County Chaplain Fitzpatrick, Belknap Area Supt. John Proctor and Miss Ebba Jansen of the Laconia Evening Citizen. Members of the Delegation absent were: Shattuck of Alton, Lord of Gilford, Doyle of Laconia and Neal of Meredith.

All present gave Supt. and Mrs. Flanders a hearty vote of thanks for the excellent dinner. Chairman Hopkins called the meeting to order and presented Supt. Proctor, who spoke briefly.

A Committee from the Laconia Chamber of Commerce, introduced at this time by Chairman Hopkins presented for consideration a proposition concerning changing the location of the County Home before a new dormitory is built. Speakers were Vice Pres. Paul Kinney, Mr. O'Shea and Mr. Morin. Their case was presented as follows:

1. Laconia needs the present County land for expansion in housing plans expected during the next twenty-five years.
2. Land sold for individual house lots would bring more taxes to the city, making Laconia's share of the County tax higher than at present.
3. County could find another situation just as desirable for their purposes but less desirable for house lots.
4. The Chamber of Commerce does not recommend the change if it means more expense to the County as a whole.

## BELKNAP COUNTY

---

5. The C. of C. has a committee looking up the value of the present location and the possibilities of a change. Mr. Kinney stated in answer to a question that they had no definite offer for the land.

Commissioner Smith stated that possibly all that would be needed by Laconia for the development purposes would be the shore property which might be spared without changing the location of the County Home. Discussion followed, the committee answering questions of the Delegation and the Commissioners. The committee then retired.

Mr. Matthews gave his report as Chairman of the Recreation Area Sub-Committee. (Report attached). It was moved by Philbrick, seconded by Tilton that this committee be continued. The vote was affirmative. It was moved by Cotton seconded by Tilton that we accept the report of this committee. The vote was affirmative.

---

February 12, 1946

The Delegation proceeded to take up discussion of the Budget, as presented by Chairman Hopkins. Items as far as Belknap Area were approved as presented. Mr. Matthews explained the need of further repairs at the Area. He moved, seconded by Stafford, that \$4000.00 be appropriated for this purpose.

Discussion followed; The Commissioners were asked how appropriation would be spent. They replied for a new tower and a small truck and repeated "the Area can take care of itself when it gets to operating now that the war is over." Mr. Cotton stated he was not opposed to raising money for the Area if needed but thought that the \$3000.00 in Capital Reserve Fund should be used first. Mr. Matthews and Mr. Stafford withdrew their motion. Mr. Matthews moved that the Capital Reserve Fund of \$3000.00 be used and \$2500.00 be appropriated this year for expenses. County Solicitor explained that the \$3000.00 could not be used except for capital repairs.

## ANNUAL REPORT

---

It was moved by Cotton and seconded by Philbrick that the \$3000 in the Capital Reserve Fund be released for use this year at the Area for capital expenditures. County Solicitor explained that this should be accounted for separately. The vote was unanimously in the affirmative. It was moved by Stafford, seconded by Nichols, that the \$2500 be appropriated for use at the Area. The vote was affirmative.

The Commissioners called attention to the fact that they have a surplus of \$9445.34 which they would recommend be set aside for a new dormitory. Their idea would be to have the dormitory built in a period of two or three years. They expressed the fact that the special committees appointed have been a big help.

It was moved by Rogers, seconded by Matthews, that the surplus of \$9445.34 plus \$3500 raised this year by taxation, be placed in the bank as a Capital Reserve Fund to build a new County Home. The vote carried.

It was moved by Matthews and seconded by Nichols that the surplus of \$2500 for new construction at the County Home be added to the Capital Reserve Fund for the new building. The motion prevailed.

Commissioner Colby mentioned the pension program for county employees. County Solicitor explained it. Discussion followed. It was moved by Matthews, seconded by Cotton that a committee of three be appointed by the Chair to study retirement plan and report at next meeting. The motion prevailed.

It was moved by Tilton and seconded by Rogers that the Budget be adopted as discussed \$122,160.00 to be raised by taxation. (Copy attached). The vote was affirmative.

It was moved by Tilton, seconded by Guay, that a committee of three be appointed by the Chair to study matter presented by the Chamber of Commerce, and report at next meeting. The motion prevailed. Mr. Stafford announced that the members of the Delegation will receive invitations to the Ski Club Ball on March

The committee appointed by Chairman Hopkins to study the Retirement System for County employees was as follows: Mr. Rogers of Tilton, Mr. Stafford of Laconia and Mr. Nichols of Center Harbor. Chairman Rogers called a meeting at the Court House at 3 p. m. Present were Mr. Rogers and Mr. Nichols also Chairman Hopkins and Clerk Atwood of the Delegation. Mr. Rogers discussed what he had found out concerning the application of the system and the County Commissioners gave needed information in regard to employees. It was found that an estimate of the necessary amount to raise for this year would be about \$800.00. The committee decided to call a meeting of the Delegation to act upon the information at hand on March 21 at 2 p. m. The meeting is to be held at the Court House.

Meeting adjourned at 4:45.

At the County Commissioners Office at Laconia, March 15, 1946 the special County Delegation for the County Farm, held a meeting with the County Commissioners and the Laconia Chamber of Commerce to discuss the possibility of moving the County Farm and the sale thereof.

## ANNUAL REPORT

---

The County Commissioners presented the tax bill for the past five years paid to the City of Laconia totaling \$14,093.22, showing that the County Farm had been paying taxes to the City.

Mr. Colby stated that the present County Farm property, if sold, should equal a new site and construction of buildings and that something should be known definitely in the near future because the County Commissioners were hoping to build as soon as material was available.

Questions were asked of the Chamber of Commerce, as to whether the City was interested in just the shore land or the whole farm site. They stated that the value of the property would be lost unless the entire property was acquired.

No definite offer for the farm has been made.

Mr. O'Shea said a dormitory for 100 nurses at the Laconia Hospital would cost \$250,000.00 as given estimate for replacing buildings.

A discussion was held in regards to plans, locations, types and size of farm to be built if the farm is sold.

Meeting adjourned by Chairman Marion Atwood at four p. m.

### COMMISSIONERS REPORT

---

To the Citizens of Belknap County:

In compliance with the laws of the State of New Hampshire, the Commissioners of Belknap County present the annual report of the County Commissioners, treasurer, Superintendent of Home and House of Correction, Clerk of Superior Court, Sheriff, Solicitor, Chaplain and Auditors for the year ending December 31, 1946.

Your Commissioners commend Reverend Frederick W. Fitzpatrick for his efforts and spiritual comfort given to all at the County Home. The people at the Home are in many respects more fortunate than many outside. The Commissioners, backed by the support of the County Delegation, have tried to make the daily life of those who come under their supervision, as happy and comfortable as possible. Mr. and Mrs. Flanders are unusually well qualified to look after the interests of these people, because of their many years of experience. By nature they have the respect and confidence which they command throughout the institution. This makes them a very valuable couple for Belknap County. We sincerely hope that the tax payers appreciate the efforts that Mr. and Mrs. Flanders are making with an outmoded dormitory, to keep the lives of those under their care safe and comfortable.

The Belknap Recreation Area has been run under the management of John Proctor. We feel that he has done a very satisfactory job.

As Commissioners we wish to thank the special Committee headed by Archibald Matthews of New Hampton, which was appointed by the Delegation to work with the Commissioners. Their help and advice is greatly appreciated and valuable. You will find a detailed report of the Area in this Report; and although there is no financial profit for the year 1946, it must be borne in mind that the Area has been closed during the War Years, and there were a great many repairs

which had to be paid for in 1946, which will carry over into the years to come.

Your Commissioners again ask your support in obtaining new dormitories for the inmates of the County Home. We feel that a start on the new dormitories should take form at once.

Respectfully submitted,

OLIVER M. COLBY

### **CLERK OF THE SUPERIOR COURT**

## ANNUAL REPORT

---

### COUNTY FARM

The accounts and records of the Superintendent of the County Farm were examined. Receipts of the County Farm were checked by source through the triplicate receipt forms. All receipts were properly accounted for by the Superintendent through remittances to the County Treasurer.

### RECREATION AREA

The record of receipts and expenditures of the Recreation Area in Gilford was audited. With the installation of the new accounting system by the Superintendent at the Area this year, it will be possible to obtain a further breakdown in the cost of the various activities, such as the tramway, ski tows, restaurant, dance hall, etc. Receipts from the tramway, ski tows and dance hall are now accounted for through the use of serially numbered tickets. It is recommended that the use of such tickets be further extended to include the restaurant, thus making the procedure uniform in accounting for receipts of all activities.

### GENERAL COMMENTS

The accounts and records of all county officials which were examined were found in good condition and the accounting procedure conformed to the standard procedure prescribed by this Division. The records were very complete and accurate. Suggestions involving a few minor changes in current practices were discussed with officials during the course of the audit. These were as follows:

1. All County checks should be signed by at least two Commissioners.
2. All County relief orders should be signed by recipients.
3. Commissioners' expense vouchers should contain detailed account of mileage, subsistence, etc.
4. Superintendent of County Farm should classify petty cash expenditures in order that the accountant

at the County office may make the proper distribution of this account.

5. State, county and municipal governments are exempted from the payment of Federal excise taxes imposed upon the purchase of certain articles and services. A bulletin containing the list of such articles and services as well as the proper form of exemption certificates to be filed when exemption is claimed, is included therewith.

6. Capital reserve funds should be transferred from the general fund into a special account before the end of the fiscal year in which the fund is established.

In conformance with Section 31, Chapter 211, of the Laws of 1939, a copy of this report or a summary of its essential features should be published in the next annual report of the County. This letter of transmittal should be included in its entirety. The publication of Exhibits is optional.

The appreciation and thanks of the members of this Division is hereby expressed to the officials of Belknap County and the office staff for the assistance rendered during the course of the audit.

Yours very truly,

To the Superior Court:

We hereby certify that we have carefully examined the accounts of the County Commissioners, the Treasurer, and the cash account of the Superintendent of the County Home for the six months ending June 30, 1946; and that such accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value and price, according to the best of our information, knowledge and belief; that all such articles have been used for the benefit of the County; and that the charges for the expense of the County Commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing that there are no bills outstanding against the County, except for amounts due in the several towns for aid rendered to paupers and soldiers and their families; bills that have been contracted at the County Home since the last settlement; Court Orders and expenses, the amount of which is unknown to them; bonds to the amount of \$114,000.00; temporary loans, due December 15, 1946, amounting to \$50,000.00; and amounts due the Commissioners for expenses since April 1, 1946.

### REPORT OF SUPERINTENDENT

---

To the Commissioners of Belknap County:

Gentlemen:

We hereby submit our report of the year ending December 31, 1946, for Belknap County Home, House of Correction and Jail.

May we extend our thanks to the commissioners and members of the budget committee for the special appropriations which purchased for the Home a new modern clothes dryer and freeze locker.

This year the interior of the dairy barn has been painted and we were fortunate in securing enough paint to cover the outside where mostly needed.

The interior of the House of Correction has also received two coats of paint which has been a decided improvement.

We now have a good foundation herd of registered Ayrshire cows. We have bought carefully with quality, production and test in mind. We now have a herd to be proud of.

Help conditions are not much improved but we are not alone with the handicaps help shortages create.

We feel that the year 1946 has brought definite improvements and some advancement in life at the County Home.

We wish to thank those organizations whose generosity was much enjoyed and appreciated during the Christmas season and all who have given help and encouragement in any way.

Respectfully submitted,

BEATRICE M. FLANDERS,  
Matron

8. State vs. William Blake—Unnatural act. Plea, guilty. Sentenced to year and a day to three years in State Prison, and committed. Three other indictments for unnatural acts and indictment for statutory rape marked "Not to go forward" upon plea to first indictment.

9. State vs. Joseph Greenwood—unnatural act. Plea, guilty. Sentenced to pay one hundred dollars fine, and suspended sentence of one year in House of Correction; probation for three years.

During the past year Maurice P. Bradford, who was sentenced to life imprisonment for the so-called State School murder in 1917, petitioned the Governor and Council for a pardon. Your solicitor opposed the pardon at a hearing in Concord on February 8, 1946, as did the Honorable William H. Sawyer, who had presided at the fall term of court in 1917. The petition was denied. Your solicitor has compiled a written account of such information as he was able to obtain pertaining to this crime, which has been filed with the Attorney General in Concord so as to be available in the event of future pardon petitions in this case.

Since his return from military service on January 21, 1946, your solicitor has prosecuted many criminal cases in the four municipal courts of the county, in addition to the Superior Court cases mentioned above, and has rendered advice and service to the county officers and the public on matters affecting the county.

Since I was not a candidate for reelection, I take this opportunity to express my appreciation to all the people of the county for having elected me three times as their solicitor, and to the public officials and employees, county, local and state, for their cooperation during these past six years.

Respectfully submitted,

ROBERT V. JOHNSON

County Solicitor

### CHAPLAIN'S REPORT

---

Belmont, N. H.  
February 19, 1947

Belknap County Commissioners  
Court House  
Laconia, New Hampshire  
Gentlemen:

In submitting my fifteenth annual report as the Chaplain at the Belknap County Home, I wish to express my most sincere appreciation for your co-operation in the work which I have tried to do for those at our Belknap County Home. I feel deeply indebted to Superintendent and Mrs. Flanders for their unfailing courtesy and kindness during the past year. They have left no stone unturned to aid me in my work as Chaplain, also I wish to thank Commissioner and Mrs. Sanborn and Mr. and Mrs. J. Elmer Boynton who have most faithfully attended and assisted me in the services and I would also express my appreciation to all other groups and individuals who have brought their gifts and their cheer to the inmates of our Home.

During the year I have endeavored to bring all the cheer and help I could to the men and the women both in the Home and in the Jail and the House of Correction and I trust that much good has been accomplished. After these years of acquaintance with the inmates of the Home, I have formed a real and lasting friendship with them and when death invades their ranks a real sense of sorrow comes to my heart. I sincerely wish that more of the people of Belknap County might realize what a fine Home we really have and how wonderfully well the members of the family are cared for.

## ANNUAL REPORT

---

Trusting that the blessing of God may rest upon you as Commissioners as you plan for the future development of our Home and the welfare of our people of Belknap County and all others connected with the responsible task of carrying on the work at the Home and that Divine Grace may be given for all the problems attendant upon such a work, I am,

Sincerely

FREDERIC W. FITZPATRICK

Chaplain
